MISSED LESSONS

We want each student to experience the excitement of progress from a week to week-the key to that is consistent practice and consistent attendance. The school's missed lessons policy requires that you give your instructor a notice by 10 pm before your scheduled session. Once the instructor receives such a notification, the student's absence will be marked excused. Three excused absences for students taking one lesson a week and six excused absences for students taking two lessons a week are allowed during the entire school year. Any more lessons missed by a student will not be made up or credited.

Students can make up missed classes during the three makeup session at the end of the school year. If a student cannot attend the makeup classes, those lessons will be forfeited.

Additional makeup dates will be available for missed lessons that fall on a holiday or canceled by the instructor.

****As a courtesy to our students enrolled in CPS, or other schools outside of School District 64, which follow a different school calendar, we will provide additional makeup dates based on a student's and an instructor's availability if a student must miss classes the first week, Monday, August 24-Saturday August 29, of the academic school year 2020/2021.*
