MISSED LESSONS

- We want each student to experience the excitement of progress from week to a week-the key to that is consistent practice and consistent attendance. The school's missed lessons policy requires that you give your instructor a notice by 10 pm. before your scheduled session. Once the instructor receives such a notification, the student's absence will be marked excused.
- Three excused absences for students taking one lesson a week and six excused absences for students taking two classes a week are allowed during the entire school year.
- Students can make up missed classes during the make-up session at the end of the School Year.
- Your instructors will make up the lessons that fall on either Labor Day, Thanksgiving Day, or Memorial Day, in addition to the allowed number of make-up classes.
- If your instructor cancels your lesson, they will make up the canceled class at the earliest convenience in addition to the allowed make-up lessons limit as well.
- As a courtesy to our students enrolled in schools outside of district 64, we will provide additional make-up lessons for August 22-28 if students are out of town the week of August 22-28, 2022.
